WORK EXPERIENCE

In my previous roles I did managed many operations that may not be required in a dev position but they attest to my being a hard worker, having an all-in and positive attitude, which I believe are key to succeed in any role. Some of my previous roles:

Brand Manager *Neopharm Consumer Products / Israel / 2017 – 2018*

Oversaw 360° brand life cycle. Initiated and implemented marketing strategies, accountable for launches and delivery, P&L reports and budget status.

Digital Marketing Communication Manager *Israel Credit Cards / Israel / 2015 – 2016*

Monitored, analyzed, and executed all advertising activities in the credit (personal loan) field. Close work with R&D on all dev cycle – specification document to deployment, through production and various version releases.

Advertising Manager *Mish'an Senior Living / Israel / 2014 – 2015*

Managed all marketing, advertising and PR activities for a chain of 13 senior living homes. Developed the digital infrastructure. Tight working relations with sales.

Google AdWords Manager *IBP Digital Ad Agency / Israel / 2013 – 2014*

Hands on SEM account management.

Account Supervisor *Yehoshua\TBWA Ad Agency / Tel Aviv, Israel / 2008 – 2012*

In charge of all clients' advertising activities while representing both client and agency interests. Managed six account managers. Strategic planning and production.
